

b\_model6  
Longitudinal profile of vertical field

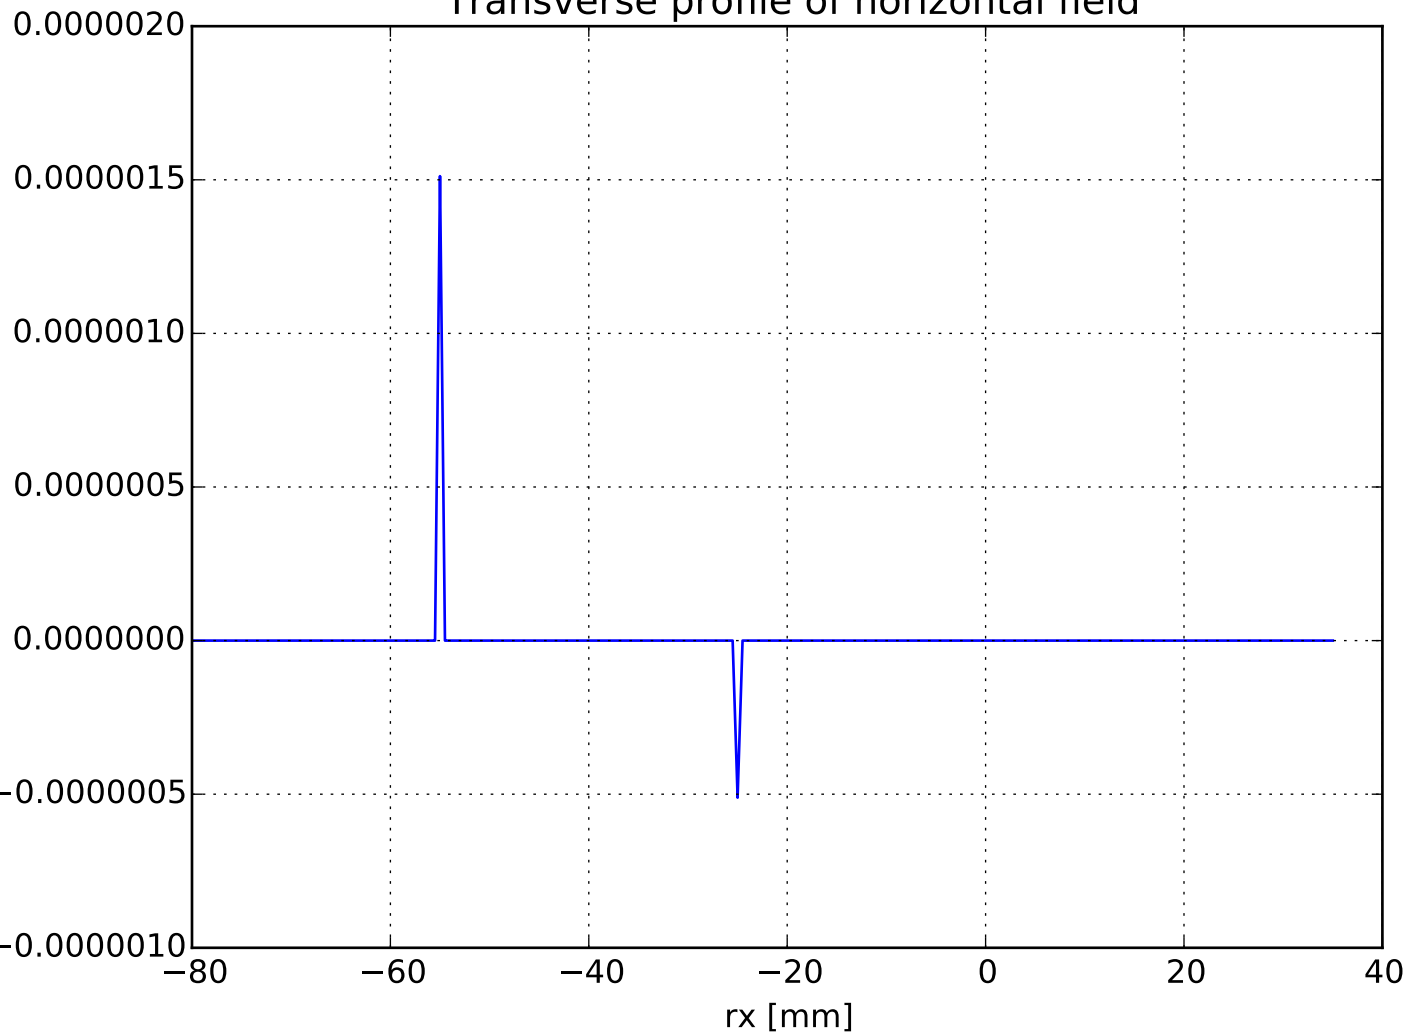

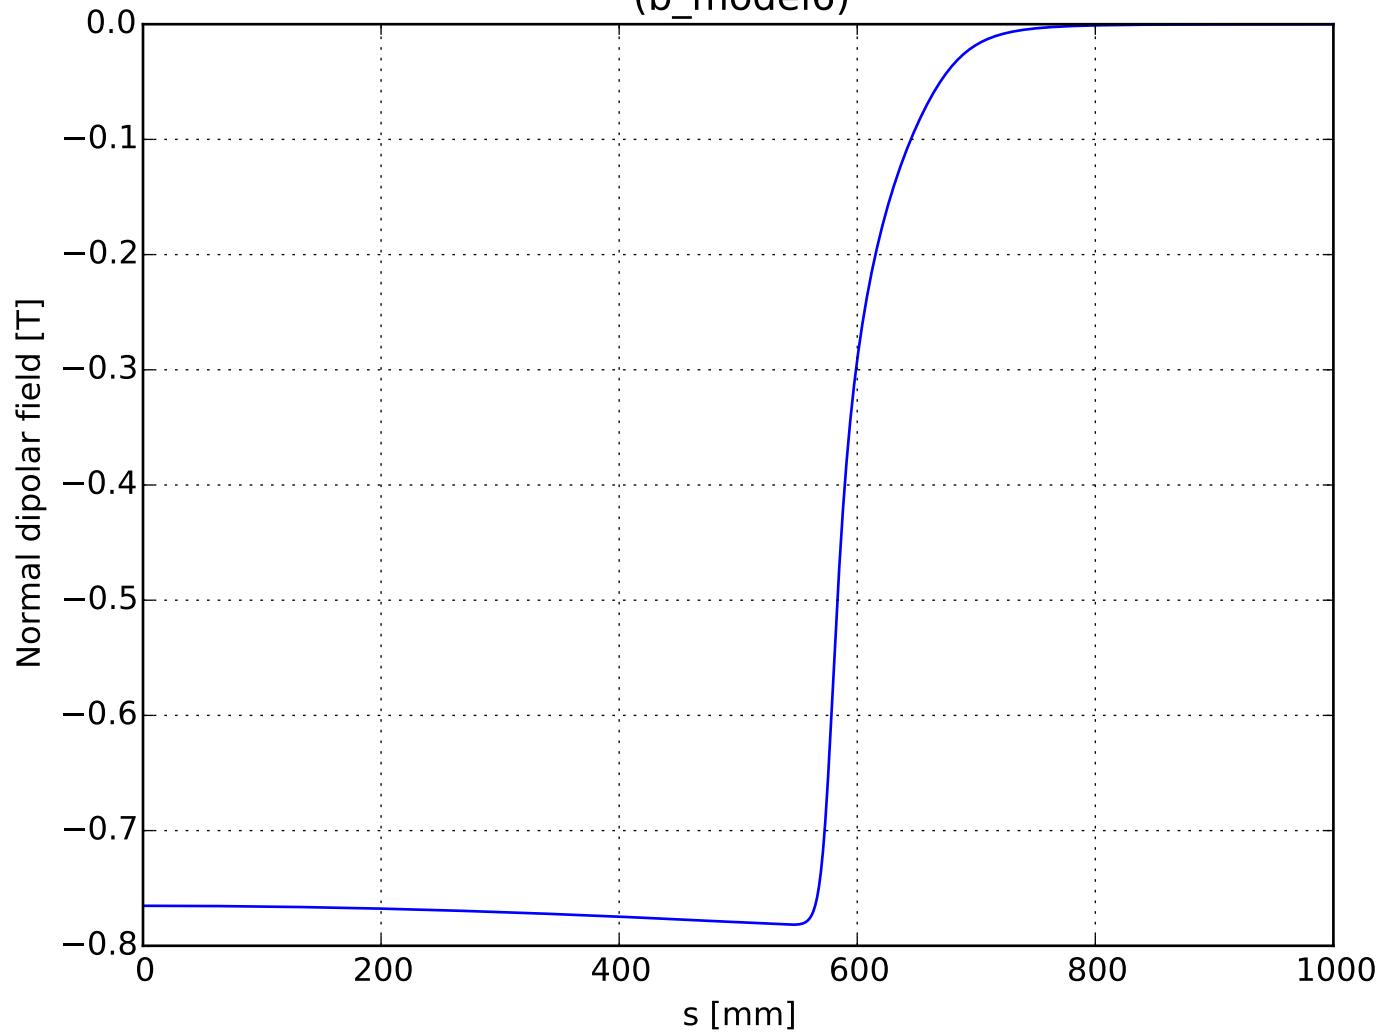

b\_model6  
Transverse profile of vertical field

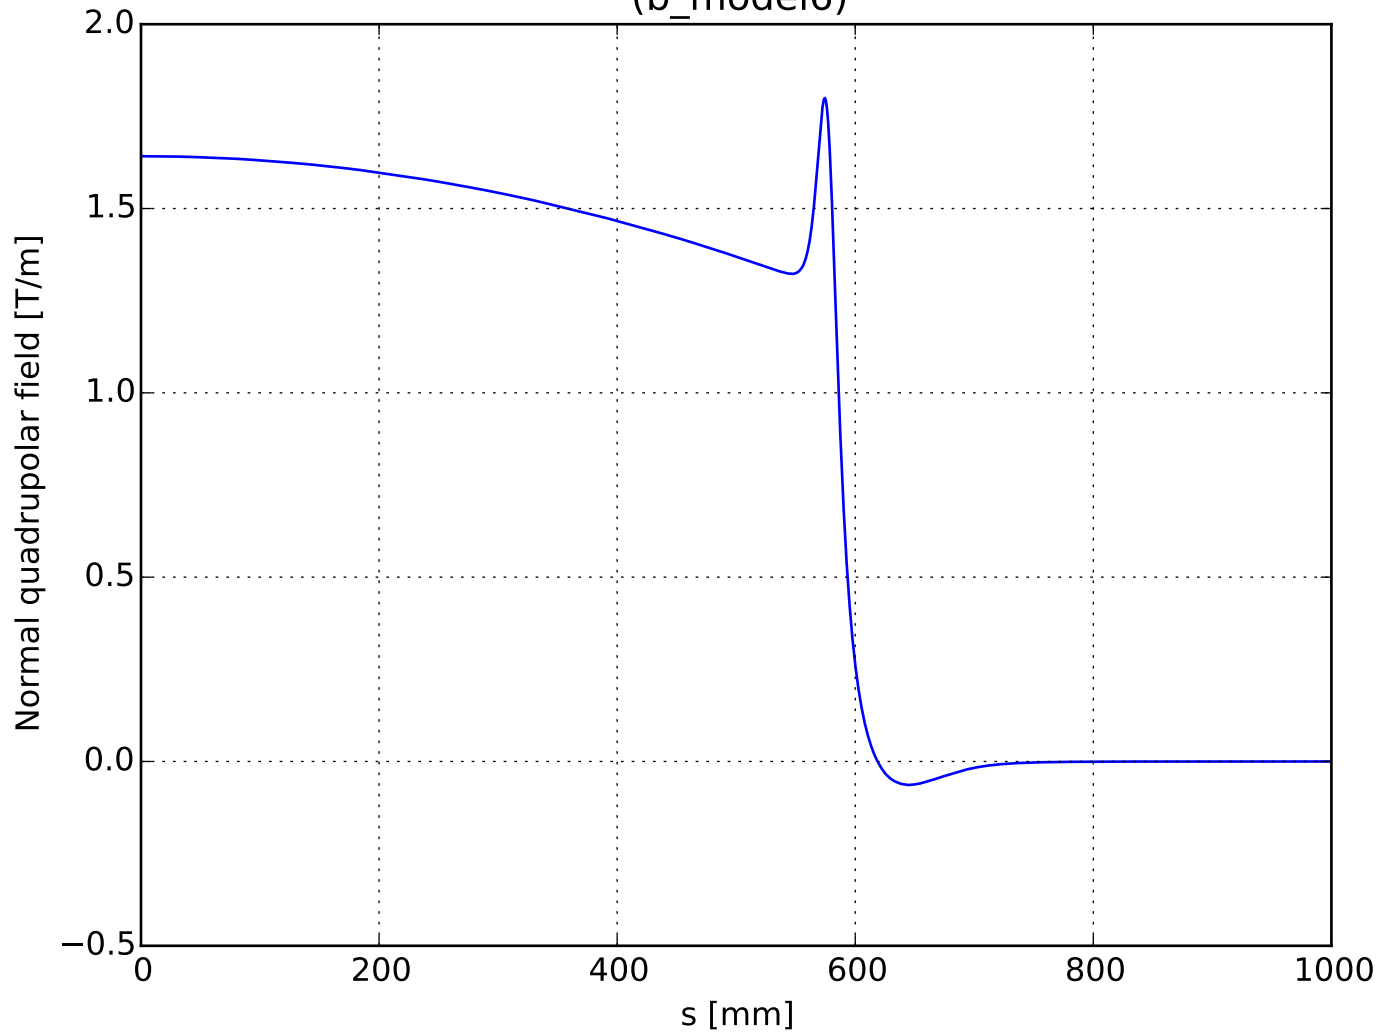

b\_model6  
Transverse profile of horizontal field

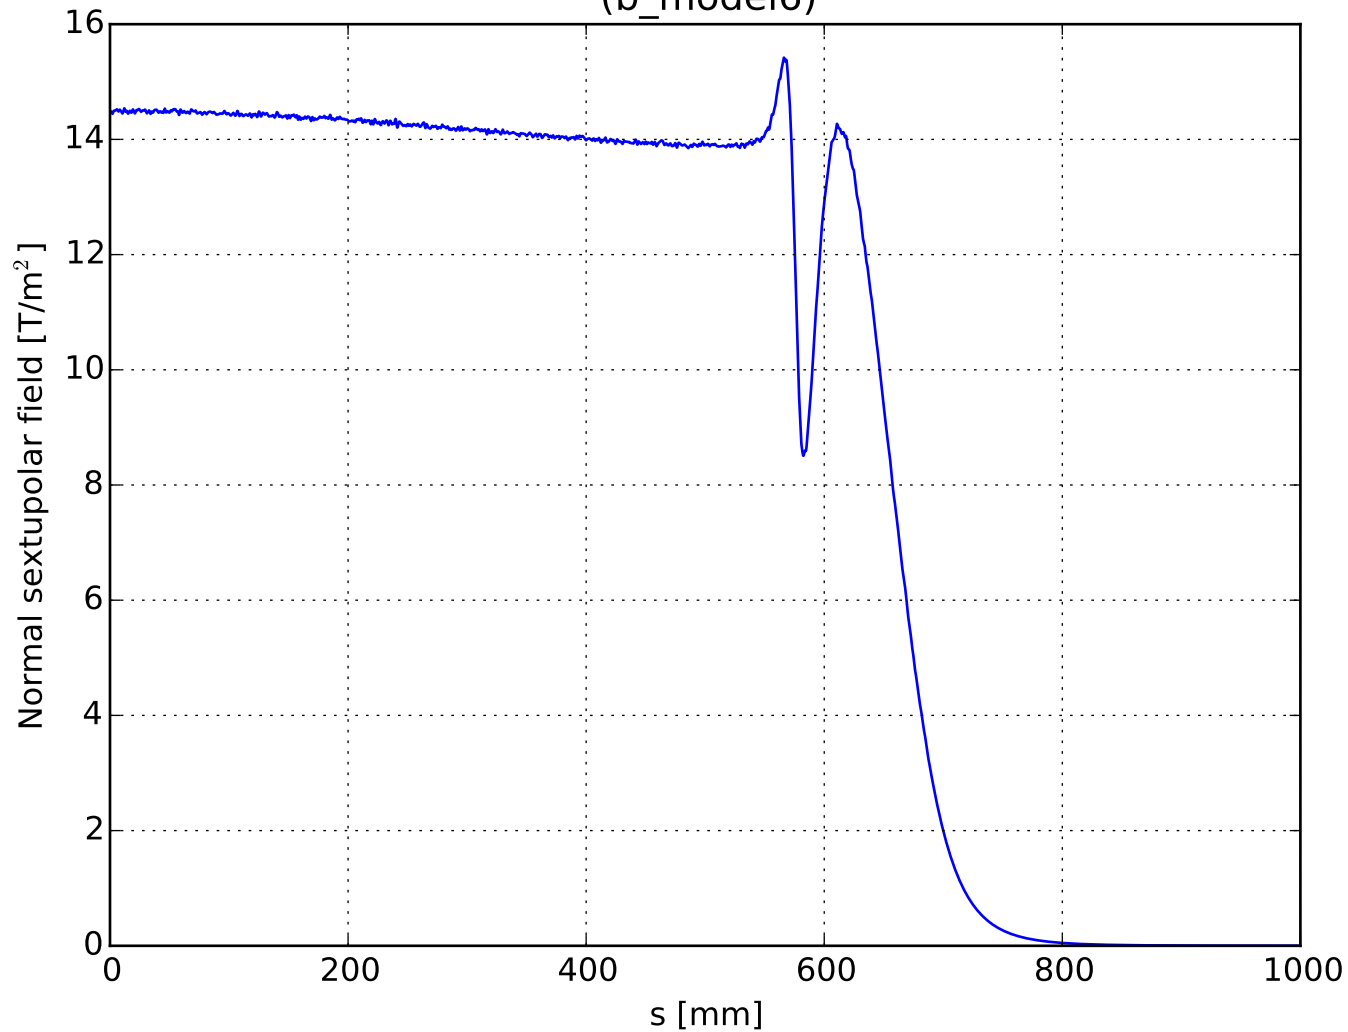

Normal dipolar field along trajectory  
(b\_model6)

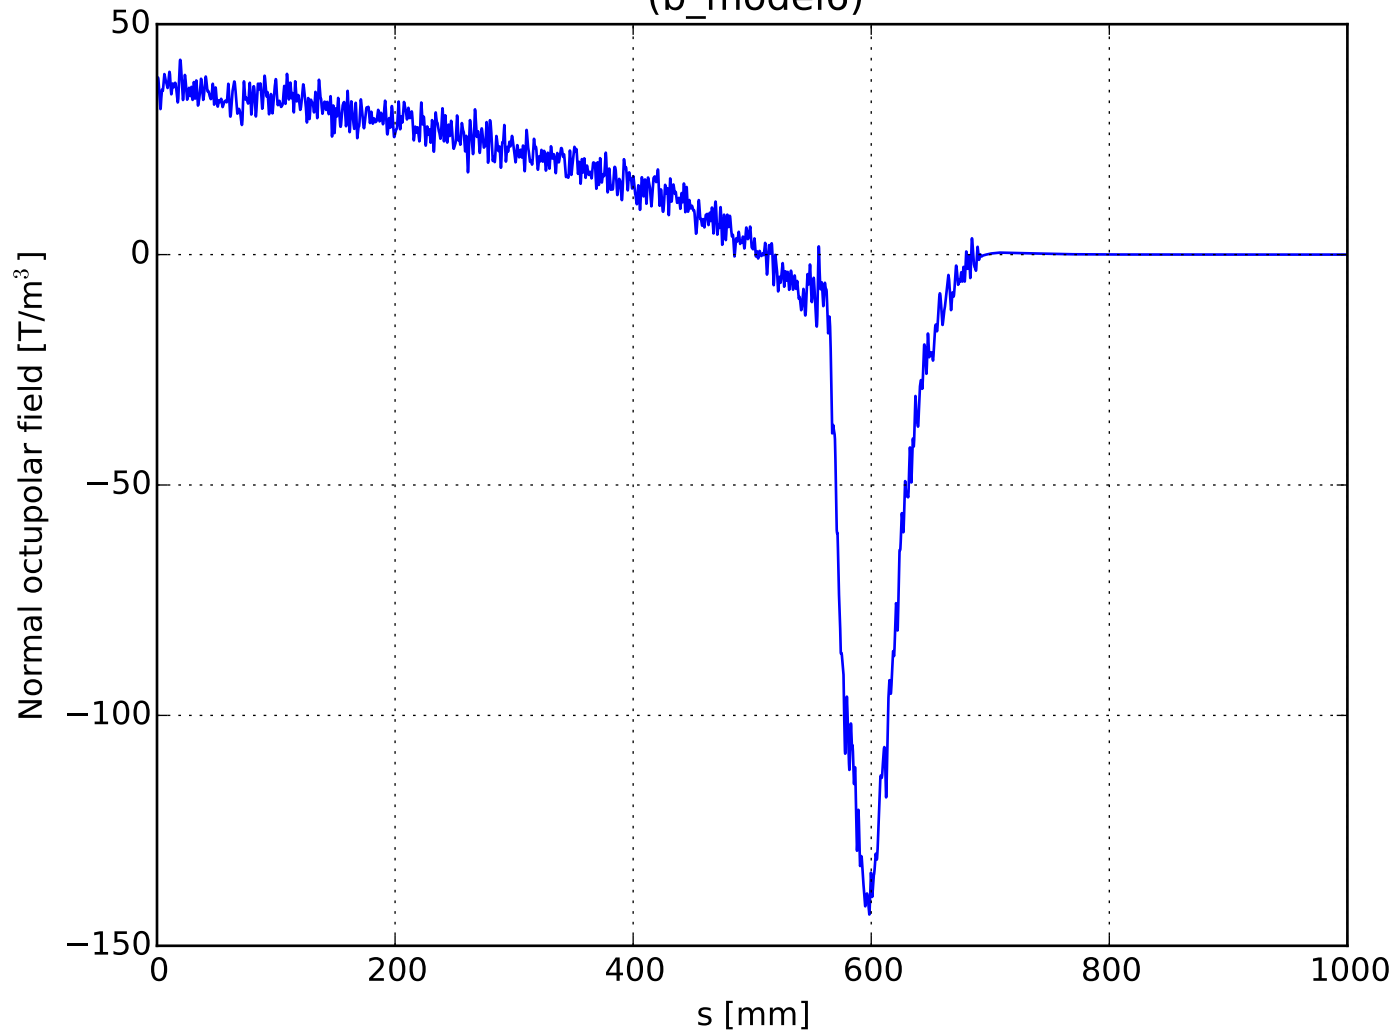

Normal quadrupolar field along trajectory  
(b\_model6)

Normal sextupolar field along trajectory  
(b\_model6)

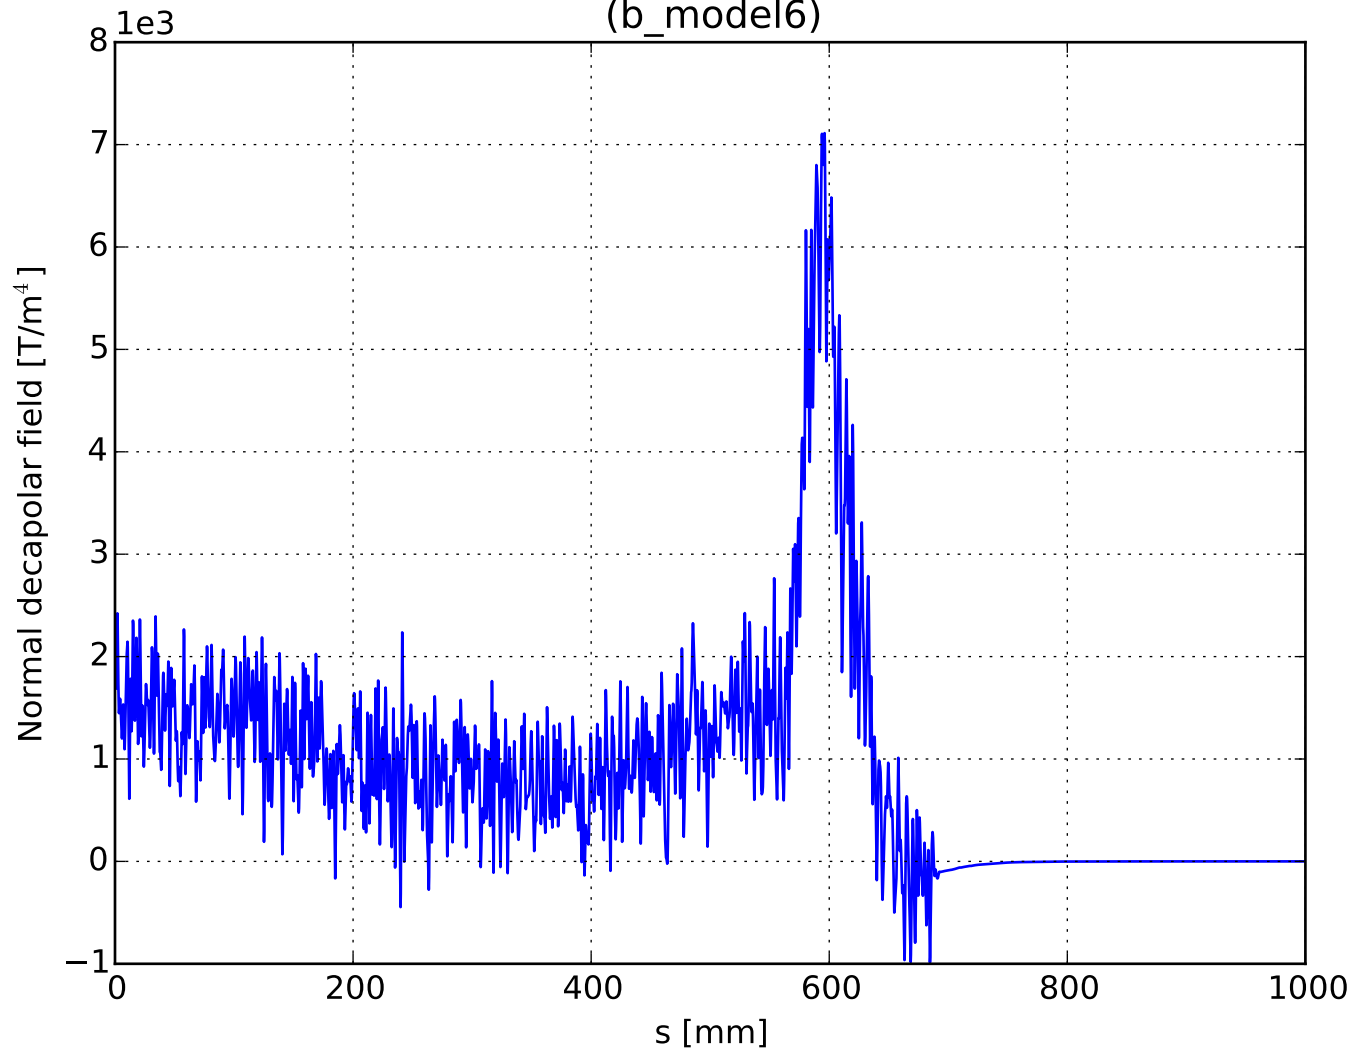

Normal octupolar field along trajectory  
(b\_model6)

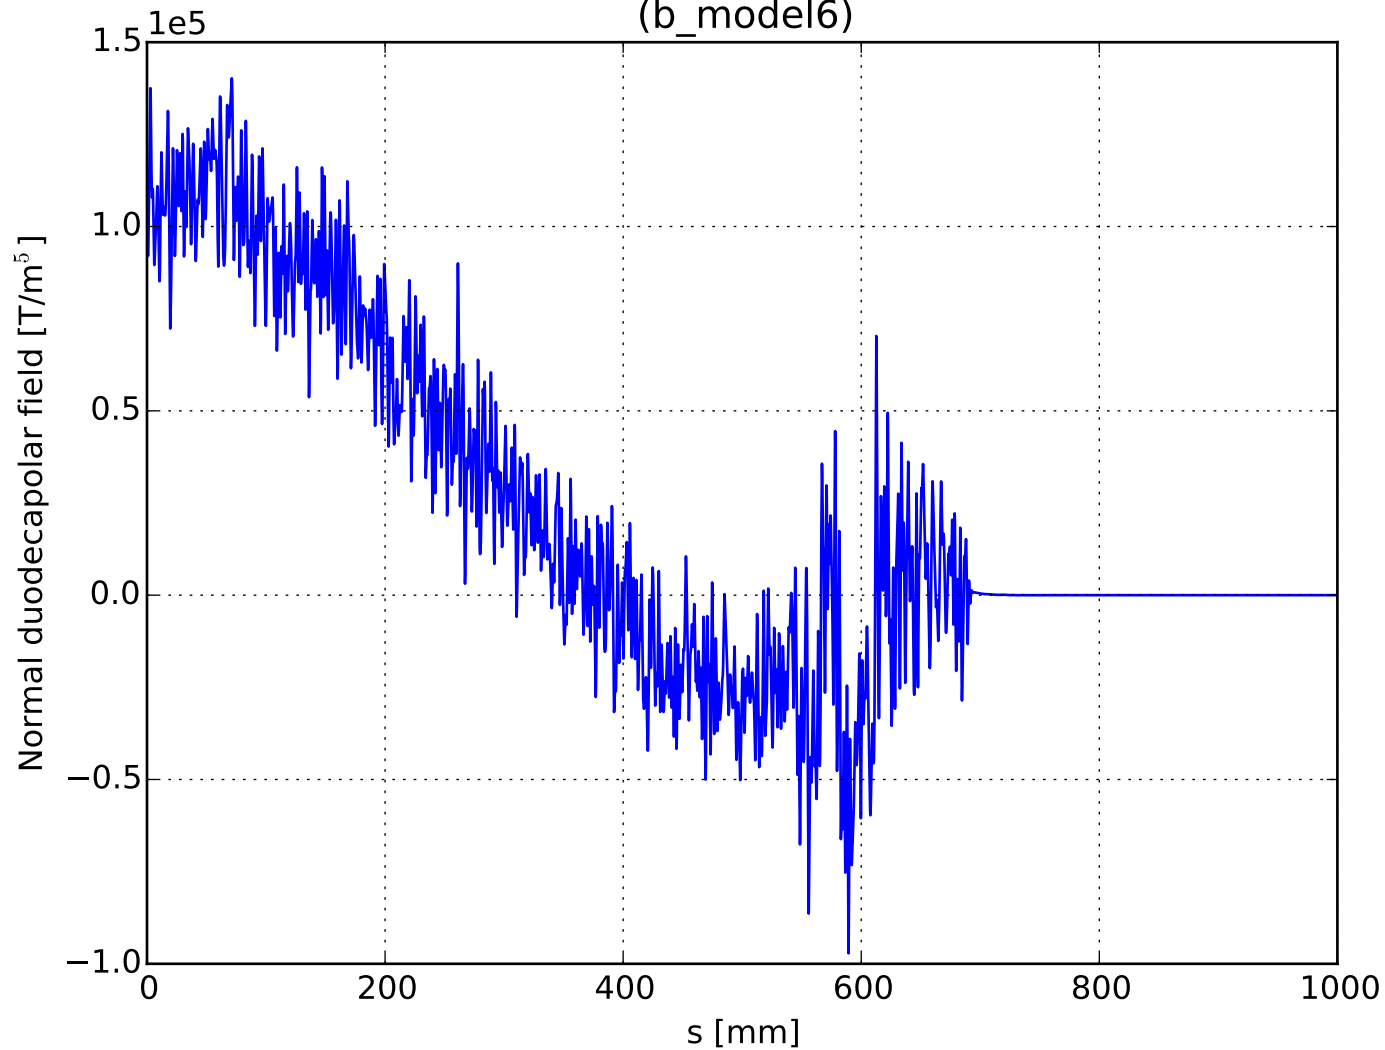

Normal decapolar field along trajectory  
(b\_model6)

Normal duodecapolar field along trajectory  
(b\_model6)

Normal  $2*(6+1)$ -polar field along trajectory  
(b\_model6)
